

- ▶ Connectivity created between E. Montezuma Avenue and College Avenue by elimination of traffic lane and replacement with concrete sidewalk.
- ▶ New crosswalk at west end of College Avenue.

PEDESTRIAN IMPROVEMENTS

- ▶ Reduction on College Avenue and Townsend Drive near Cliff Drive allows for wider sidewalk, promoting continuity from College Avenue directly to MTU campus.

PEDESTRIAN IMPROVEMENTS

- ▶ Marked pedestrian crosswalks will be placed at high-volume entrances to MTU campus with median refuges created for safety.
